

Vladyslav POPOV

Gender: male

Nationality: Ukrainian

Date of birth: May 25, 1989

Major: Geography

Education: V. N. Karazin Kharkiv National University (2012).

Work experience: 10+ years in teaching and research, 5+ years in GIS production area.

Unit and department: Department of Physical Geography and Cartography, Faculty of Geology, Geography, Recreation and Tourism.

Years of education and teaching: 10 (2012–present time)

Have teacher qualification: Senior Lecturer

E-mail: v.popov@karazin.ua

Head of the GIS and Remote Sensing Laboratory
Faculty of Geology, Geography, Recreation and Tourism
V. N. Karazin Kharkiv National University

Research institutes: V. N. Karazin Kharkiv National University

Research direction: GIS-modeling in geomorphology and hydrology using field and remote sensing data.

Main course: Earth Remote Sensing, Geomorphology and Paleogeography, Online GIS services

Research projects carried out:

- ✓ 2016–2017 – coordinator of Kharkiv branch of Secondary Cities Project with the American Association of Geographers.
- ✓ 2019 – GIS modeling of the bottom topography of the Siverskyi Donets River in the area of Gaidary (Zmiyiv District of Kharkiv Region).
- ✓ 2020 – Geoprocessing of bathymetric survey data of sections of the Lyakhova and the Balakliika rivers in the area of Balaklia, Kharkiv region.
- ✓ 2021 – Heavy metals, toxic elements and substances in the bottom sediments of the underwater of biogeographic polygons of Argentine Islands.
